

Delegation from China

Prof. Zihe Rao visited SACLA/SPring-8 on July 1, 2014

RSC welcomed a delegation from China led by Prof. Zihe Rao (Nankai University). China-Japan symposium on protein crystallography was held with the program shown below, followed by the Spring-8 and SACLA site visits. The attendees agreed to enhance the collaboration between them.

China-Japan Symposium

Place : RIKEN SPring-8 Center, Hyogo , Japan

9:30	9:35	Dr. Ishikawa	Welcome
9:35	9:55	Dr. Zihe Rao	Structural Insights into the Hand Foot and Mouth disease
9:55	10:15	Dr. Yamamoto	Macromolecular Crystallography at SPring-8
10:15	10:35	Dr. Ming Lei	Brief Introduction of National Center for Protein Science-Shanghai
10:35	10:50		Coffee break
10:50	11:10	Dr. Yabashi	Status of SACLA facility and beamline
11:10	11:30	Dr. Dong Wang	High Gain FELs in China
11:30	11:50	Dr. Tono	Experimental Instrumentation and Applications of SACLA
11:50	13:20		Lunch & discussion
13:20	14:20		SPring-8 Site Visit
14:20	14:35		Coffee break
14:35	16:00		SACLA Site Visit
16:00	17:30		Coffee break & discussion
17:30			adjourn
