

A group of Astex Pharmaceuticals visited SACLA/SPring-8
June 1, 2015

RIKEN SPring-8 Center (RSC) welcomed a group of Astex Pharmaceuticals

PLACE: SACLA Experimental Facility

RSC, Hyogo, Japan

Dr. Tono gave a lecture on Facility Overviews of SPring-8 and SACLA, and guided a tour of SACLA facility. After that, Dr. Ago and Dr. Hirata gave a tour of SPring-8 with a special focus on BL 32 XU (Targeted Proteins Beamline).
