

A group of International Workshop on WDM visited SACLA/SPring-8
June 12, 2015

RIKEN SPring-8 Center (RSC) welcomed a group of International Workshop
on WDM(Warm Dense Materials).

PLACE: SACLA Experimental Facility

RSC, Hyogo, Japan

Dr. Ishikawa gave a lecture on Facility Overviews of SPring-8 and SACLA. After the lecture, Dr. Inubushi guided a tour of the SACLA facility. Dr. Ozaki and Dr. Yoneda then gave a tour of SACLA-SPring-8 Experimental Facility.
